GREETING LETTER:

Dear friends and valued customers,
Thanks for your time to read newsletter from **LEOSKIN FURS**. With this opportunity, we would like to have you obtain a better understanding about the quality products and service from us. All of these efforts are just to meet your various and ultimate needs for quality fur materials and products.

LEOSKIN FURS, formed by LEOSKIN (HONG KONG) LIMITED and ООО «ЛЮ НИИ» is a fur group based in Mainland China and Russia. We have our own tannery and manufacturing facilities in Northern China. With experienced fur professionals and staff, our business activities cover raw skin pelts sourcing, skin dressing and tanning, fur dyeing and coloring, semi-finished and finished fur products manufacturing until distribution in form of wholesale and retail sales over international market. All of efforts are just for a direct cooperation with our customers and provide the most original fur products and excellent service to final users without any medium steps. For any further questions, please feel free to visit our website: <http://www.leoskin.com> or contact us at any time with your questions and requirements.

With the start of new 2017-2018 season, LEOSKIN FURS are committed to being your close and long-term partners/suppliers. Our original status in fur industry will give you universal advantages in product quality and prices in the most competitive market.

Mr. Liu Ning
General Manager

ABOUT LEOSKIN:

LEOSKIN FURS were formed with **LEOSKIN (HONG KONG) LIMITED and ООО «ЛЮ НИИ»**. We work as a comprehensive fur business group in Northern China. Collaborating with top artists and designers, LEOSKIN FURS supply high quality, standard fur materials and products to globally professional furriers, manufacturers of fur, leather and fashion products, home decoration and crafts dealers worldwide.

LEOSKIN FURS have professional and experienced work teams which are responsible for quality works of each step. We contribute great efforts to international fur industry and individual consumers.

After sourcing period, tanning work was fulfilled at our tannery with strict quality control. Environmental tanning standards are applied for products up to EU standards. All products offered from us are healthy and free of harms on environment and human beings. LEOSKIN FURS are also specialized in further processing. Being pursuit with international fashion trend, we keep inventing out new models, styles and fashions designs. We take all possible measures to help our customers realize their unique fashion ideas.

With years of accumulating of experiences, skills and knowledge, we are closer to the top fashion trend and turn into the leadership of the international fur world. Currently, LEOSKIN FURS are also involved in the work of furs from Russia, Canada, United States, Australia and New Zealand.

In order to providing our excellent products and service to international customers with lower cost, higher speed and no middle steps, we are stepping out of China and getting more close to you. In the year of 2014, another symbol was marked in our history with the register of our trademark "LEOSKIN". Also, in the year of 2016, we set up our direct sales office in Saint-Petersburg of Russia. With times going on, LEOSKIN FURS are promoting our high quality products and conceptions internationally and a better brand recognition with us will be enhanced in our customers' heart.

BUSINESS ACTIVITIES:

1. Fur Materials: Supply of **fur skins and plates** with Chinese origin mainly to professional furriers.
2. Fur Semi-Finished: Customized production of **Fur collars and trimmings**, etc to manufacturers of fur, leather and fashion factories.
3. Fur Finished: OEM production of various **fur fashion and accessories**, home decor products to dealers of related products and individual consumers.
4. Trading: Marketing of dressed fur skins and patches with abroad origins on Chinese markets.
