GREETING LETTER:

Dear friends and valued customers, Thanks for your time and attention over newsletter from LEOSKIN FURS. With this opportunity, we hope to have you obtain a better understanding about quality products and service from us. All of these efforts are just to meet your special and ultimate taste for various fur goods.

LEOSKIN FURS, formed by Leoskin (Hong Kong) Limited, Beijing Liuning International Trading Co., Ltd and ООО «ЛЮ НИИ» is a fur group based in Hong Kong, Mainland China and Russia. As manufacturers, we have our own tanning and manufacturing facilities in Northern China. With experienced technicians and professionals, our business activities cover raw skin pelts sourcing, skin dressing and tanning, fur dyeing and printing, various semi-finished and finished fur products manufacturing until final distribution in form of wholesale and retail sales over international market. All efforts are just for a direct cooperation and partnership with our customers and provide original fur products and excellent service to final users without medium steps. For any further questions, you can refer to our website: <http://www.leoskin.com> or contact us at any time.

With new start of 2018 season, LEOSKIN are committed to being your close and long-term partners/suppliers. Our original status in streamline of fur industry will give you universal advantages in product quality and costs in the most competitive market.

ABOUT LEOSKIN:

LEOSKIN FURS, formed by Leoskin (Hong Kong) Limited, Beijing Liuning International Trading Co., Ltd and ООО «ЛЮ НИИ», work as comprehensive fur business group in North China, Hong Kong and Russia. Collaborating with top artists and designers, LEOSKIN supply high quality, standardized fur materials and semi-finished/finished products to globally professional furriers, manufacturers of fur, leather, fashion products, home decoration and crafts dealers.

LEOSKIN have professional and experienced work teams which are responsible for quality works of each step. We contribute great efforts to international fur industry and individual consumers.

After sourcing period, tanning work was fulfilled at our tannery with strict quality control. Environmental tanning standards are applied for products up to EU standards. All products offered from us are healthy and free of harms on environment and human beings. LEOSKIN are also specialized in further processing. Being pursuit with international fashion trend, we keep inventing out new models, styles and fashions designs. We take all possible measures to help our customers realize their unique fashion ideas.

With years of accumulating of experiences, skills and knowledge, we are closer to the top fashion trend and turn into the leadership of the international fur world. Currently, LEOSKIN are also work with furs from Russia, Canada, United States, Australia and New Zealand.

In order to providing our excellent products and service to international customers with lower cost, higher speed and no middle steps, we are stepping out of China and getting more close to you. In the year of 2014, another symbol was marked in our history with the register of our trademark "LEOSKIN". Also, in the year of 2016, we set up our direct sales office in Saint-Petersburg of Russia. With times going on, LEOSKIN are promoting our high quality products and conceptions internationally and a better brand recognition with us will be enhanced in our customers' heart.
